create memories for life

NORWAY CUP

Welcome to Norway Cup 2026

Join us on an unforgettable adventure where football, friendship, and culture come together!

At the Norway Cup, thousands of teams from all over the world gather for a week filled with sports, community, and memories for life.

From Ekebergsletta to all of Oslo, more than 5,000 matches are played on 89 pitches – and the city fills with energy, laughter, and cheers.

Since 1972, the Norway Cup has grown from 420 teams into one of the world's largest tournaments for children and youth. But we are more than just football: we build bridges between nations, cultures, and languages – with fair play and unity at the core. The Norway Cup 2026 will mark a new chapter in this story.

We look forward to welcoming you – and together making next year's tournament the best ever!
