

Criteria for applying for financial support for participating in Norway Cup

- The NC Friendship financial arrangement is only for teams from developing countries where the children live in families with very low income.
- The financial support is given by the Norwegian Agency for Development Cooperation (NORAD), and have strict criteria and requirements for the receiver of financial support.
- The financial support is given to a maximum of **20 players and 2 leaders**.
- The financial support covers A-cards, which includes accommodation in schools, all meals, free public transport and free access to museums and swimming pools. **Travel costs must be covered by the club/team**.
- All teams applying must be playing in their respective national league, and the club must be member of the national FA.
- To receive financial support, all coaches and team leaders **are obliged to** do the following prior to the tournament:
 1. complete our Safeguarding digital course
 2. go through the NC Code of Conduct with their players

The team must also submit a report after the tournament.

- This arrangement will prioritize girls' teams because it has a goal to strengthen gender equality in football. All **girls' teams** must have a minimum of one female leader.
