Match host did not meet.	Mass assembly, neither the benches or the match hosts gets the teams under control.	Somewhat high intensity in the game. Some cases where things go slightly out of hand. There has maybe been shown a red card or some yellow cards for reckless challenges or unsporting behaviour.	Good flow in the game. There may be high intensity at times, but things happen in a reasonable manner. Both teams benches, coaches and the match hosts have full team control throughout the game. Some spontaneous reactions can occur, but they die down quickly.	The match was conducted in a fair way. There was a polite communication between the teams, referees and match hosts. There were very few incidents of unsporting behaviour.	A very well conducted match from all involved parties. The players handled the small things that happened in a very good way. Coaches and match hosts have total control of both teams and the surroundings.
